

Rothesay Trails are multi-use—please make them safe for everyone by using the following guidelines:

Trail Etiquette

- Be courteous
- Don't block the trail
- Keep right & pass on the left
- Give warning before passing
- Move off the trail when stopping
- Obey all signs
- Use lights at night
- Respect private property
- Clean up after yourself & your pets
- Keep your pets under control & on-leash at all times
- Take nothing except photographs. Leave wildflowers & other plants for others to enjoy
- Don't feed the wildlife. Increasing a species' food supply can disturb the balance of nature.
- Stay on the trail. Making a detour around a muddy patch will destroy vegetation.
