Option C

1 Large Double Sided Sign*
32ft² max size per sign face

***Plus choose 1 sign from Option A or Option B**

Community event signs throughout Rothesay are recognized as an important public service. However in order to ensure that event signs do not detract from Rothesay’s residential character some regulation of these signs is necessary.

While it is possible to place community signs on private property throughout Rothesay we do limit that privilege to just twice per calendar year on residential properties while allowing signs 6 times a year on commercial or institutional land. Signs are not permitted in the public road right of way.

Your community group or not for profit organization will be permitted 3 signs per event. The signs are permitted to be as big as 3 square metres in area (32 square feet). To simplify the selection of signs for your group we present above 3 options (A, B, C) for your use. Please note that all signs must also meet the by-law requirements as follows:

- not more than 2 community event signs per property;
- signs are setback 2 metres from all property lines;
- signs are located outside the public road right of way;
- signs may be erected 14 days before the event; and
- signs are removed within 48 hours after the event.

To have your signs approved please refer to the diagrams above and contact us at rothesay@rothesay.ca or phone 506-848-6600.
