PUBLIC NOTICE ROTHESAY RESIDENTS SERVICED BY MUNICIPAL WATER

Rothesay will be flushing watermains as part of its yearly maintenance program, beginning on Monday, April 30th and ending Wednesday, May 16th. The flushing will take place between 8:30 a.m. and 4:30 p.m.

Residents may notice a loss of pressure and discoloured water while flushing is conducted in your area. This inconvenience should be limited to the time flushing is conducted on your street. If you experience discoloured water after 4:30 p.m. on the day flushing takes place, allow the taps to run until the water turns clear. For further information, or if problems arise during this operation, please call the Town Hall at 848-6600.

Thank you for your cooperation with this required maintenance.
