

LOOKING TO HELP YOUR COMMUNITY DURING THE COVID-19 PANDEMIC?

Donate medical equipment to the Saint John Medical Society to protect community-based doctors. During this time of crisis, doctors have been working endlessly to provide care to their patients and to keep them out of hospital. However, there is a growing shortage of medical equipment that is used to keep them safe. This equipment is essential for doctors to be able to protect themselves and their patients.

WHO WE ARE?

We are local medical students reaching out to the community on behalf of the Saint John Medical Society. We are calling on you to donate new/unused medical equipment. **Please help keep our community-based doctors and their patients safe during the fight against COVID-19.**

WHAT MEDICAL EQUIPMENT CAN I DONATE?

- Masks (Surgical Style or N95)
- Face Shields
- Goggles/Protective Eyewear
- Hand Sanitizer
- Protective Gloves
- Disposal Gowns
- Disinfectant Wipes

HOW CAN I MAKE A DONATION?

Please email: donate4doctors@gmail.com. Our team will be in contact with you to arrange a pick-up.
