

Seasonal Contract-Operator 2 (Dec. 1-April 15th)

The town of Rothesay is seeking two individuals to fill the role of Seasonal Operator 2 for our Public Works Department. Reporting to the Works Superintendent, the Seasonal Operator 2 will be responsible for the seasonal maintenance of roads and public works operations such as: construction projects, winter road maintenance, building retaining walls, maintenance of fences and bridges, spreading gravel, repairing and installing street signs etc.

The incumbents will have a scheduled shift Monday-Friday from 8am-4:30pm or 4pm -11pm and will be requested to participate in an on-call schedule as work will be determined mainly by snow and ice events.

The successful candidate will have a minimum of five years experience in a municipal operations environment or equivalent experience. Completion of Grade 12 or equivalent and Heavy Equipment Certification are required. The successful candidate must also have a valid New Brunswick Driver's license (air certificate Class 1 E considered an asset). They will possess knowledge of traffic laws, ordinances and regulations involving equipment operation and the ability to follow oral and written instructions. The successful candidate will be performing work in an outdoor environment in a variety of weather conditions. Must be physically capable of performing a variety of physical tasks and be prepared to work overtime as required.

Interested candidates should apply in writing to:
