

Future Engage - Hybrid Version (Virtual Engage)

Saint John, NB --- The Saint John Newcomers Centre along with its partners, the Rothesay Hive, and Rothesay are pleased to announce the program 'Future Engage' will launch in the month of May.

Are you 55+ and living in the greater Saint John region? Do you enjoy learning, want to live a healthy lifestyle, share your life story, or like to read? Then Future Engage is for you.

Are you a youth who is looking for volunteer opportunities in different areas, to give back to your community, and connect with older generations?

Our objective through "Future Engage – Hybrid Version" is to connect youth with seniors in a flexible virtual/in-person environment. During the program they will have the opportunity to share and engage with each other's cultures, exchange skills and knowledge, and socially connect in a safe and healthy environment.

Seniors and youth will be able to spend time together either virtually or in-person in the Rothesay Hive, located in Rothesay Town Hall.

Each week there will be an activity to participate in, including card games, chess competition, Multicultural Day, digital literacy training, craft sessions, painting classes, historical trips, and much more. All required material will be provided. Limited number of electronic devices will be provided if needed.

Every Thursday from 10am-12pm at the Rothesay Hive, located at 70 Hampton Road, Rothesay NB. Please join us for the first session on May 19th, 2022, from 10am-12pm.
