

NO NUTS PLEASE!

Due to the growing number of mild to severe nut allergies among children, we ask guardians to refrain from sending peanut butter, peanuts, or any other food item that may contain nuts to camp. If your camper has any allergies please be sure to list them on their registration form.

HANDS-OFF POLICY

We want to keep our programs safe and enjoyable for all campers. As a result, we have a hands-off policy. The goal of this policy is **zero tolerance** for violence and bullying. If either occurs, the offending camper will be suspended from camp for one day. This policy is explained at the beginning of camp, but it is important that parents/guardians also communicate the policy with their children to avoid any undesirable situations. Please note, there will be **no refunds** for the days suspended campers miss.
