

ROTHESAY

SEWER SERVICE FEES and CHARGES

PERMIT and CONNECTION FEES

Sewer permit fee (Section 6)	\$ 100.00 (non-refundable)
Sewer system connection (section 9)	\$1,000.00
Sewer system connection – non-residential	\$1,000.00 per equivalent user unit

SEWER SERVICE CHARGE (Section 9)*

*Owners who choose not to connect to the sewer system, when access to the system is available, shall be invoiced the annual sewer service charge.

Each equivalent user unit \$ 475.00

<u>Equivalent user units</u>	<u>Equivalent</u>
Single family residential home	1
Residence with rental apartment or self contained unit	2
Apartment building with 3 units	3
Apartment and condominium building with 4 units and above	0.75 per unit
Townhouses	1 per unit
Commercial – strip mall	1 per unit
Commercial – other	Defined by signed agreement
Institutional (Schools)	Based on number of students and staff ⁺
Institutional – other	Defined by signed agreement

⁺ Total of students and staff divided by number of persons per average household (3.2). Result multiplied by ¾ of a year facility is in use. Result divided by percentage of day in attendance at facility (3 [8/24]).

In the case of RCS-Netherwood, the number of boarders would be used in the formula but a factor of 1 would apply for the percentage of the day in attendance.

INTEREST (Section 9) 1.25% per month, compounded monthly

NSF CHEQUES (Section 9) \$25.00 fee per occurrence
