The New Husband, by Daniel Palmer

About the Author:

Daniel Palmer is the USA Today bestselling author of ten critically acclaimed suspense novels. He published his first novel, DELIRIOUS, after a decade-long career in e-commerce, where he helped launch first generation websites for major online retailers including Barnes & Noble and Dick Sporting Goods. Following the success of Daniel's publishing career, he founded DAY IN THE LIFE MEDIA, a video production and communication company committed to helping brands identify their brand heroes so they can tell stories in a way that directly impacts the bottom line. A recording artist, accomplished blues harmonica player, and lifelong Red Sox fan, Daniel lives in New Hampshire with his wife and two children.
