Cancellations

Please provide at least 24 hours of notice if you are unable to attend a program or event that you have registered for by phone or email. We understand life happens and sometimes there are unavoidable emergencies that come up at the last minute. However, by providing as much notice as possible if you are no longer attending someone else may be able to attend instead. Typically, there is a waitlist for most exercise programs. The Coordinator will keep track of “no shows” meaning if you registered and did not provide notice of not attending it will be noted. Chronic “no shows” will be given a warning and it may impact your ability to register for programs.

Parking

If able, please park across the street (65 Hampton Rd). Spaces are very limited at the Town Hall parking lot due to business operations. There is a well-marked crosswalk to allow members to safely cross the street. Accessible parking spots are located in the Town Hall parking lot.

Scent-Free Zone

The Rothesay HIVE is a scent-free zone. Please help keep the air we share healthy and fragrance-free. Strong fragrances are often used in laundry detergents & scent boosters, personal care products, and more. The chemicals used in scented products can make some people sick, especially those with fragrance sensitivities, asthma, allergies, and other medical conditions. Please **DO NOT**: wear perfume, cologne, aftershave, & fragrances. Instead, **USE**: unscented personal care and laundry products.
