Summer has arrived in Rothesay!

June 20, 2025: Thank you for subscribing to the R-Insider! We hope you enjoy the summer issue of the quarterly community e-newsletter.

Mayor's Message

Hello again Rothesay Residents,

It has certainly been an exciting Spring in Rothesay with the March 20 announcement of \$7M in federal funding going toward the Rothesay Intergenerational Community Complex, and subsequently the May 17 Community Fundraising Kickoff for this project. We are now actively fundraising for the project: the thermometer at the arena currently stands at \$13M of a \$36M total!

The project consists of two phases: a new arena and walking track, and conversion of our old arena into energy-efficient indoor court space and community space, including a larger space for the very successful Rothesay HIVE. Initial construction is expected to begin this year, and a goal of completion by the end of 2028.

We have waited so long for this project to come to fruition, but with the community behind us, we are very optimistic that it will finally happen. You can show your support for the project by signing up with our community group, at www.rothesayactivecommunity.ca. Also, donations can now be made toward the project, with tax receipts available to donors. Outright donations are welcome, or you can dedicate a floor tile, arena seat, bench, or a tree, visit www.rothesay.ca/ricc/fundraising/. Let's all get behind this project!

Meanwhile, other facets of summer life in Rothesay go on: the Concert in the Common schedule is set for Thursday evenings at 7pm, from July 3 to August 28. Our two beaches will open on June 23, with Lifeguards on duty every day at Renforth Beach, and Monday-Friday at KPark Beach. Canada Day Celebrations - with threats to our sovereignty, perhaps more important than ever this year - will be held on the Rothesay Common on July 1 from noon until 3:00pm.

There are two events of note taking place in Rothesay this summer: the Canadian Women's Amateur Golf Tournament at Riverside Country Club July 21-25, and the Provincial Convention of the Royal Canadian Legion, happening at Kennebecasis Branch 58 on River Road September 19-21. So busy times ahead! Our Rothesay Parks Staff will be getting our gardens in top shape so the Town will do us proud on the Provincial and National scenes.

So much to do in Rothesay in the summer - get out and enjoy!

Dr. Nancy Grant
Mayor of Rothesay

Keeping Pools Safe: Ensuring a Secure Environment for Fun

Swimming pools and hot tubs are great for having a good time and relaxing, but ensuring they are safe for everyone is essential. There are rules and regulations in place to ensure pool safety.

You must obtain a building permit before constructing a pool, fence, deck or pool house. Building permit applications are downloadable [HERE](#). Submit a site plan that indicates the location of the pool and any structures, along with the structure's height. These plans ensure that the construction meets the Rothesay's Zoning By-Law's. Learn more [HERE](#).

Respect the Peace: Rothesay's Noise By-law Reminder

To help keep our community peaceful and enjoyable for everyone, Rothesay's Noise By-law sets clear guidelines around noise levels and activities.

Unnecessary noise—including loud music, shouting, vehicle noise, and barking dogs—is not permitted, especially during quiet hours from 9:00 p.m. to 7:00 a.m.

Construction activity is also restricted during this time. Sound levels should not exceed 65 dBA during the day (7:00 a.m. – 9:00 p.m.) and 55 dBA at night.

Let's all do our part to maintain a respectful and quiet environment for our neighbours! Learn more [HERE](#).

Receive Your Utility Bill by Email

Would you like the convenience of receiving your quarterly utility statement directly to your email inbox? It is simple to switch to paperless billing! Send an email with your name and address to: utilities@rothesay.ca

Your next utility bill will arrive to your email address which will improve timeliness of receiving your bill (no waiting for postage!), give you access to your bill away from home, and reduce the environmental impact of printing and mailing paper bills (less paper, ink, plastic, fuel).

Construction Notice: Arthur Miller Upper Field Turf Replacement

The turf surface at the Arthur Miller Upper Field has reached the end of its lifespan and will be replaced this summer. Work began on Monday, June 2, 2025, and is expected to take approximately 6 to 8 weeks to complete.

During this time, parking in the Arthur Miller Field lot will be limited due to ongoing construction. We kindly ask that you use caution when in the area. Thank you for your patience and understanding as we upgrade this important community facility to ensure it remains safe and enjoyable for years to come.

Other Town Business

Attention Dog Owners

Please remember dogs **MUST** be on a leash at all times when on public property (any property that is not privately owned by you). Picking up after your dog is considerate and is [the law](#). Being a good pet owner and a good citizen means picking up all year long and putting the bag in a bin. Your neighbours gratefully thank you! Learn more [HERE](#).

Also, did you know, that Rothesay provides dog waste disposal bins and bags on all five of our walking trails? Please do your part in keeping our trails enjoyable for one and all!

Don't forget to license your dog or cat at Town Hall. It is free with proof of vaccinations and the tag is valid for the animal's lifetime or until change in ownership.

EpiPens in Rothesay

In partnership with Rothesay Pharmachoice, Rothesay has EpiPens available for public access at the following seven locations:

- Bill McGuire Centre
- Wells Community Centre
- Rothesay Arena
- Rothesay Common Skate House
- The Main Building at Arthur Miller Fields
- The Renforth Beach (when the beach is open)
- The K-Park Beach (when the beach is open)

Rothesay would like to thank Pharmachoice for their continued support.

Report Street Light Outages

Did you know Rothesay pays for every street light - working or not?

If there is a street light that has burnt out in your neighbourhood, please report it to NB Power by filling out their [ONLINE FORM](#) so they can have it replaced or repaired.

If you see any power lines down or something about a pole or line that doesn't look right, please call NB Power as soon as possible at 1 800 663-6272. Please remember, if wires or poles are down, stay at least 33 feet (the length of a bus) away from them as they can be very dangerous!
